Roadshows and other events during the quarter

During the quarter, we met investors on roadshows in Toronto, Boston, and New York with DNB. We participated in SEB's Nordic Large Cap seminar in Stockholm, Morgan Stanley's Industrial CEOs Unplugged conference in London, and Kepler Cheuvreux's Autumn Conference in Paris. In addition, we held group investor meetings hosted by analysts and discussed with investors on individual 1-1 calls and meetings.

During the quarter, the most frequent discussion topics have included: updated strategy and new financial targets presented at the CMD, market environment, demand outlook and financial guidance, sustainability, delivery capability and status of supply chains, cost inflation and pricing, and Group and segment margin development.
